

Boarding Costs/Details

- You will see a one-time charge for the Capstar pill.
- All dogs receive a Capstar pill at the beginning of their stay to kill fleas.
- All dogs and cats must be up-to-date on **AHAC** vaccine requirements.
- Days boarded include the day your pet checks in and the day your pet checks out
 - If you pick up your pet **before 10:00 AM**, you will not be charged for that day.
- We charge by the day which means that your kennel is reserved whenever you arrive that day.
- We require all boarders to have a Bordetella Vaccine (Kennel Cough) that is within 6 months.
